---

November 2011

Dear Sir/Madam,

Each year the Champaign-Urbana Junior Woman's Club (CUJWC) produces a children's play through Tom Thumb Theatre as part of our annual fundraising efforts. A tradition in our community for over fifty years, Tom Thumb Theatre is presented to the public and it is directed, produced, and performed entirely by club members.

Last year's production of "Let Your Hair Down, Rapunzel!" was a huge success with nearly 1,000 area children and parents attending six performances over three days. The proceeds from the play and our raffle allowed the CUJWC to make several donations to area social service and educational agencies. Over the past fifteen years alone, we have returned over \$150,000 to the community!

Money raised last year went to fund projects like RIF (Reading Is Fundamental) in which we distribute books to every 2<sup>nd</sup> grader in public schools in Champaign & Urbana twice a year, along with various projects with Crisis Nursery, Developmental Services Center, and Educational Emphasis which supports local teachers. We also awarded approximately \$2,000 to local organizations and clubs benefiting children in our community such as Cunningham Children's Home, Summer Daze Day Camp, U. Neighborhood Connections Center, Wesley Evening Food Pantry, Parkland College for Kids, Developmental Services Center and more!

This year's play will be "**Snow White and the Seven Dwarfs**". Arrangements and promotions for our 58<sup>th</sup> Annual Production are already well underway, including casting, scenery, publicity, and rehearsals. The play will be held **February 10, 11 & 12** at Centennial High School.

We are asking that you consider supporting this widely anticipated event by either *placing an ad in our program, cash donation, donation of in kind services, or a raffle prize.* In exchange for donations we would like to thank businesses with ad space in our program. Detailed advertising information is listed on the Underwriting form.

***Thank you for considering supporting our organization and the community!***
